DAY OF PROCEDURE

Please arrive 1 hour prior to your scheduled procedure time. You must have a responsible adult who can stay with you for the duration of your procedure and for transportation to and from your procedure. **If you do not have this, we will have to reschedule your procedure.**

Enter the hospital through parking lot A. Take the elevators in the front entrance of the hospital to the 2nd floor, then turn right. Follow the signs to Surgery Check In.

Please bring an extra appliance (wafer and bag/pouch) with you. You will need this after the procedure is complete

Please wait at least 10 days before calling for results.
